<https://e.huawei.com/cn/talent/#/ict-academy/home>

Click or Copy

On the page of ICT Academy:

Click the button - BecomeICT Academy Student, then perform the following steps.

2 Become a Student

Home > ICT Academy > Become Student

Become Student

Operation Guide Document Center

Create a Huawei Account

If you do not have a Huawei account, click here to create an account.
If you already have an account, click here to log in.

* The Huawei account is your Huawei user account. After association with an academy, you can use this account for teaching management. Please keep your account and password confidential.

Associate with an Academy

If you have logged in, click here to submit an association application.
The application will be sent to your ICT Academy administrator for approval.

* The class invitation code is a string of digits and letters generated by the system when your instructor starts the class. It is used for verification when you join the class.

View Approval Progress

After submission, you can click here to view the approval progress and remind the administrator to approve the application. After the association approval, you can click your profile image and go to My Classes, then enter the class invitation code you received to join the class.

* The class invitation code is a string of digits and letters generated by the system when your instructor starts the class. It is used for verification when you join the class.

Perform steps 1 to 3. After submitting the association application, wait for the ICT academy admin to approve. You can view the approval progress through the quick entry.

Note: You need to register a Huawei account and login before performing subsequent operations.

3 Associate to ICT Academy

Home > ICT Academy > Become Student

Become Student

* The class invitation code is a string of digits and letters generated by the system when your instructor starts the class. It is used for verification when you join the class.

Select ICT Academy Student.

Click the link on step 2 or click the avatar in the upper right corner to go to the Personal Information page.

① Click "+"
② In My Academy, select the university or college to be associated.
③ Click Save.

If you have read and agreed to Huawei privacy statement, please save and submit the information. Then you need to wait for the ICT academy admin to approve your application.

During the review process, you can urge approval every 24 hours on the personal information page.

The association application has been submitted but has not been approved by the academy administrator. To retract the application or select another academy, please click the button to retract the application.

If you want to disassociate your role, please click the button Disassociate. After disassociating, you will lose all permissions of the role. If you want to associate with an ICT Academy again, log in again and click the association button to select
